Reviews

This book will never be easy to start on reading but quite exciting to see. It is actually rally intriguing throgh looking at period of time. Your daily life span will be convert once you total looking over this book.
(Torrance Vandervort)

THE HOUSEKEEPER S QUEST: WHERE TO FIND PRETTY THINGS (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Housekeeper s Quest: Where to Find Pretty Things Young married people of the present day find the task of house-furnishing a much easier one than did their grandparents, or even their fathers and mothers. Ten or a dozen years ago, the shops of the cabinet-makers and upholsterers, even in our largest cities, contained nothing really handsome; nothing that could please an artistic eye. The best that can be said for the furniture of that time is, that it was useful and well made. Yet use was too often sacrificed to the demands of a taste that we of to-day think barbarous, and which, indeed, cannot be defended. There had been, as we all know, a good time in furniture - in old colonial days, and during the period of the Revolutionary war; and in the older parts of the country there were to be found, now and then, a few pieces, which, partly by their design, but more, perhaps, by the associations they suggested, gave an air of refinement, and a look of individual character to their usually common-place surroundings. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
