### **Reviews**

*This pdf can be worthy of a read through, and superior to other. It generally does not expense excessive. Its been printed in an exceptionally simple way and it is just soon after i finished reading this ebook in which in fact modified me, change the way i really believe.  
(Mr. August Hermiston PhD)*

## SPANISH-AMERICAN WAR AMERICA EMERGES AS PERSPECTIVES ON HISTORY

History Compass. Paperback. Condition: New. 68 pages. Dimensions: 7.3in. x 5.0in. x 0.2in. In 1898, American troops fought in what Secretary of State John Hay referred to as a splendid little war in Cuba and the Philippines. In its effort to oust Spanish rule in those colonies, the United States opened the door to world power for itself. Excerpts from the writings of Teddy Roosevelt, and yellow journalists, war correspondents, and American soldiers give the reader a sense of the fervor with which the Americans engaged in this war. The photographs from the war, an account of Clara Barton, the key role of Black regiments, recollections of the Rough Riders, and the poetry of Stephen Crane add to the story. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
