The Chemistry of Wheat, Flour, and Bread (Classic Reprint) (Paperback)

By William Jago

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Chemistry of Wheat, Flour, and Bread My first idea was to reprint the articles almost exactly as they originally appeared; but having commenced the task of remodelling them I found the work growing on my hands until something like three quarters of the matter of the book was entirely re-written. Hence a task which at its commencement I had hoped to have completed in a month has extended over a year. An inspection of the book will sufficiently show the nature of its contents. Some few words of explanation of its objects are due to the reader. One of my aims has been to provide a text-book for such students as are anxious to make themselves acquainted with those departments of Chemistry and other allied sciences which have a more or less direct bearing on Milling and Baking. The earlier part of the work is devoted to an exposition of general principles, after which their application to practical work is described. I hope that in this capacity the book may be found of service by those who are preparing for...
