Pomegranate Communications Inc,US, United States, 2016. Hardback. Condition: New. Language: English . Brand New Book. For the first time, the interiors of some of the Chicago area s greatest buildings, designed by celebrated architects, are brought together and featured in truly stunning original photographs. These Chicago-area homes, religious spaces, and commercial and public structures give visual meaning to Frank Lloyd Wright s belief that the space within becomes the reality of the building. Text by author Patrick F. Cannon, who has lived and worked in Chicago and its suburbs for more than sixty years, discusses each building s architecture, architect, and place in history. James Caulfield, a noted architectural photographer, leads a visual tour into both the intimate and grand interiors of the Chicago area s finest buildings. Now the duo s fifth book, The Space Within demonstrates that good design comes in many styles. While many of these architectural masterpieces are open to the public, others particularly the private homes can only be seen here.
