Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Military Chaplains Review, Vol. 2: November, 1973 Personal growth and professional development are qualities which Army chaplains should seek and find in every assignment. Chaplains who recently have entered various service schools and civilian universities are in an advantageous position to experience both. The consequent enlargement of the1r ministries should be the result. Sharing broadened horizons with one s fellow chaplains is an integral aspect of this enlargement of ministry. Since the Mili tary Chaplains Review is designed as a medium in which chap lains can extend their outreach by offering to others the product of their thought and experience, I would like to encourage chap lains to write for publication in this journal.
