## WAVES OF LIGHT: MESSAGES FROM NATURE TO HEAL OUR PLANET (PAPERBACK)

Balboa Press, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.All of life flows in beautiful waves of light connecting us to our Creator. Messages from our cohabitants on this planet those in non-human form can ease our path to peace within ourselves and inspire harmony among us all, bringing healing to our planet. Pen Augustin is an energy healer or lightworker, as some would say. She gives a voice to the various life forms of our world by connecting with their essential energy and consciousness. When entering into the archives of the Akashic Records, Pen communicates with guides who express the soul wisdom of those who share our beloved Earth with us bodies of water, animals, insects, even the moon. Each of them has an essential role in teaching us about the unity and value of our sacred existence. Pen shares personal stories of awareness as she shares bits of her own and others healing journeys. Peace of mind and joy of heart are everyone's birthright. Humanity's awakening will usher in paradise for all who dwell here.
