Humanist Press, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Walker s 22 new essays cover the spectrum, from The Islamic Holocaust being perpetrated against women to the dizziness of crystal-gazers in Encountering the New Age. Walker explains in depth how religion has been perverted from its naturalistic roots in the celebration of the mystery of new life to a patriarchal orgy of violence. In Does Religion Make People Good?, Walker responds with an emphatic No!, citing extensive evidence of Bible Morality to produce today s Christian God the Monster. Women have borne the brunt of patriarchal religion s evils - Walker even argues cogently for Religion As the Root of Sexism. Yet in her conclusion, Family and the Future, the ever-upbeat Walker imagines a return to the original, best traditions of religion as a metaphor for the wonder of the universe.
