Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.ABOUT THE COMMENTS: The first in the series of digital paintings I created was I called Two Women Contemplating the Nature of the Universe. When I looked at it I was surprised to see what appeared, to be two figures in the lower left hand corner looking up at the rest of the painting. They seemed to be female. Hence, the women part of the title. As to why they were contemplating the nature of the universe? What they were looking at seemed larger than life to me. It looked elemental and atomic like with gyrating movements of light dancing around in the darkness of space. Of course they would be contemplating it since the mind, the heart and the soul attempts to understand what it experiences. For me humor is perhaps one of the greatest healing and transformational art forms that I know. What better way to share these paintings then to have two wise females humorously giving their unbridled opinions on what they were looking at? ABOUT THE ART: Creativity has been a part of my entire life. Early in life, I picked up some pastels and began sketching flowers. As a teenager I turned to the camera and started doing photography at an early age. I picked up a guitar or synthesizer and started to compose, or I picked up some brushes and started to paint. Over the years it has manifested itself in several areas such as photography, music, painting, writing, healing and as of late, cooking and baking. Simultaneous to a driving fascination with ancient philosophies was an attraction to state of the art technologies. I always strove to experiment with the innovative technological advances as they came...
