Brand New Book ***** Print on Demand *****.Exiting Gracefully is a compilation of short stories about women who have faced challenging situations in their lives. We all know people who have run into dire straits at times and if it were not the pure effort of God s grace working in their lives they could have easily fallen apart. Oftentimes we are tested to the point of no return only to look back and see that we are all the stronger for having endured a hardship. We all have faced obstacles, lost hope and disappointing relationships. Sometimes we feel that life is just not fair. It is the sincere desire of the authors Deidra D. S. Green and Andrea Ryan that these short stories will provoke interest into the human soul that will motivate and inspire self examination. There is always an opportunity to elevate, and encourage and if necessary, to make a graceful exit.
