CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 52 pages. Dimensions: 9.0in. x 6.0in. x 0.1in.I believe I will tell you the story of Grandma Parlins little childhood, as nearly as possible in the way I have heard her tell it herself to Flyaway Clifford. Well, then, Grandma Parlin, her face full of wrinkles, lay in bed under a red and green patchwork quilt, with her day-cap on. That is, the one who was going to be Grandma Parlin some time in the far-off future. She wouldnt have believed it of herself now if you had told her. You might as well have talked to the four walls. Not that she was deaf: she had ears enough; it was only brains she lackedbeing exactly six hours old, and not a day over. This was more than seventy years ago, little reader, for she was born on New Years day, 1800, born in a town we will call Perseverance, among the hills in Maine, in a large, unpainted house, on the corner of two streets, in a bedroom which looked out upon the east. Her mother, who was, of course, our little Flyaways great grandmother, lay beside her, with a very happy face. This item ships from La Vergne,TN. Paperback.
