Praying Through the Promises of God deals with engaging your prophetic word and not letting the enemy steal your prophecy or interfere with your destiny. When a prophetic word is released, the enemy knows God's plan and begins to work against it. It is the responsibility of the believer to take that spoken word and birth it into the earth realm through diligent prayer and fasting. There is a prevalent notion which says; God said it, I believe it, and that settles it. However, this notion has led to many disappointments because of a lack of understanding concerning the rules of engagement. This classic will inspire and show you how to translate your promise into reality. Having gained accreditation and respect by various church leaders, God has used him to counsel and speak into the lives of world leaders, while still maintaining his touch with the common man.
