Filesize: 4.5 MB

Reviews

Complete guideline! Its this kind of good read. It can be writer in easy terms rather than difficult to understand. I am delighted to tell you that here is the very best book i have got go through during my very own lifestyle and might be he greatest ebook for at any time.
(Bill Klein)

THE STUDY OF ARCHITECTURAL DRAWING IN THE SCHOOL OF ARCHITECTURE (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Study of Architectural Drawing in the School of Architecture Most of this work is done with the pen, pencil-marks upon tracing-paper being neither distinct nor durable. The outlines of course are traced, from prints or photographs, just as they are found. But the shading, even in the case of wood-cuts, is not textually reproduced, the forms of the shades and shadows being rendered by a series of flat tints. These are sometimes put in with the brush, but more often with the pen, parallel vertical lines being employed just as in drawing. This work is indeed, both in the outline work and in the shading, an admirable introduction to draughtsmanship with pen or pencil. The brush is in constant use, however, in making tracings of examples of colored decoration from prints of Egyptian tombs, Greek vases, or tiles and terra cotta of every period. The outlines are then sometimes drawn with the pen and filled in with color, which is often laid on the other side of the paper. But these may be dispensed with and the tracing made with the brush altogether. This is particularly effective in tracing anthemions and honeysuckle work from Greek vases, and in this work Japanese brushes prove specially serviceable. These exercises are immediately utilized in the service of the historical studies which compose a chief part of our course. While practicing the essential principles of draughtsmanship in making tracings from drawings, engravings and photographs, our students are at the same time accumulating valuable memoranda for future reference. The tracing books in which this work is stored away become, before the end of the course is reached, a priceless...
