Patheos Press. Paperback. Condition: New. 138 pages. Dimensions: 8.9in. x 6.0in. x 0.4in. Contemporary Paganism focuses on practice, often neglecting theology. Yet belief and practice are intertwined. As the religious movement continues to grow, so does the need for intellectual frameworks for practice and ways of approaching the controversial question of belief. In this book, Christine Hoff Kraemer asks central questions about the varieties of Pagan belief: Why is multiplicity so important to contemporary Pagan understanding of deities How do Pagans experience divinity in nature In what way can the human body be a sacred site And what are virtue ethics for Pagans With an estimated 1. 2 million Pagans in the United States and significant numbers elsewhere, Seeking the Mystery is important for Pagan self-understanding and also for non-Pagans who want to understand what their Pagan neighbors believe. This short introduction to Pagan theology--or better, theologies--is a valuable primer for students and practitioners alike. Includes chapter summaries, discussion questions, and activities for individual and group study. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
