Reviews

It is fantastic and great. It is written in easy words and phrases instead of confusing. I am just delighted to explain how this is actually the best book I have ever read through during my individual life and might be the finest publication for ever.

ARTEMIS (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Artemis, the beloved daughter of sovereign Zeus and rich-haired Leto, was born from passion and blessed with formidable gifts. She is also the most beautiful among the Olympian Goddesses. Her whims and desires can change the course of human destiny, and no goddess has more freedom and intriguing life than the immortal huntress. With the rest of her chosen Nymphai, though all are lovely, there is no mistaking which one is Artemis. Her tall figure with flowing golden hair and golden limbs entice the hearts of men and gods, but like her twin brother, Apollo, Artemis is a delighter in arrows and her silver bow. Though her life is full of adventures and thrills, there are also many tragedies. This is the story of Artemis from her birth and childhood until her first passion with a maiden of her care and her first heartbreak.
