

autopsie du sport français

By Riolo, Daniel

HUGO, 2018. Paperback. Condition: NEUF. À la manière de Cash Investigation, Daniel Riolo et son équipe sont allés à la rencontre des acteurs du sport français, les ont écoutés. et en dressent, au moment où le CIO attribuera les JO 2024, un bilan cinglant. Football, cyclisme, athlétisme, tennis, rugby, hand, basket-ball, natation : sport par sport, l'état des lieux que dressent nos athlètes, nos dirigeants, nos coachs ou nos experts n'invite pas à l'optimisme. Même nos bastions traditionnels, et habituels pourvoyeurs de médailles, sont menacés : l'horizon ne semble plus pavé d'or pour l'escrime et le judo. Certains judokas qui s'entraînent à l'INSEP dorment dans leur voiture. Querelles de gouvernance, incapacité à former, difficultés de financement, spectre du dopage, renouvellement des générations aléatoire : chaque sport est confronté à de lourdes difficultés. Si nous voulons devenir enfin une nation sportive, l'heure est venue de se mettre au travail et d'affronter vraiment la réalité. Les propositions sont là, sur la table. Au mouvement sportif de s'en saisir. - Nombre de page(s) : 346 - Poids : 495g - Genre : Sports.
