

From rural agriculture to urban agriculture (Shanghai Agricultural Development and Evolution)

Filesize: 9.06 MB

Reviews

I just started off reading this article pdf. It is probably the most remarkable ebook we have go through. It is extremely difficult to leave it before concluding, once you begin to read the book.

Pages Number: 174 Publisher: Shanghai Academy of Social Sciences Pub. Date :2011-07-01 version 1. Since the founding of New China. Shanghai has gone from agriculture amount to quality-oriented. production economy to service economy changes. agricultural productivity level and production performance improved significantly. However. with the rapid development of the city's non-farm economy and the acceleration of urbanization. agriculture. the city and its suburbs in Shanghai. the economic development of the direct economic contribution has been minimal. farm income in farm household income structure also occupy only a small proportion of agricultural development while also facing increasingly limited land space. lack of modern agricultural production and management and other important factors. Therefore. the existence and Shanghai to protect the value of agriculture in the new economic and social environment. strategic orientation. function and development paths are caused by the Shanghai government departments and experts and scholars such as sustained attention. but also the evolving matter of thinking about ideas and strategic initiatives . On the whole. either from the protection of the main agro-food supply security. maintain economic and social stability and achieve sustainable development of urban and rural areas. or meet people from diverse spiritual and cultural needs. improve urban environmental quality. construction. urban-rural integration. beautiful environment. people to harmonious pastoral point of view of the metropolis. Shanghai is essential agricultural industry. To achieve these functional goals of agriculture. in agricultural land resources dwindling. the growing demand for social and cultural diversity. ecological environment and landscape context of the growing requirements of the building. the construction of urban modern agriculture has become an inevitable choice for Shanghai agricultural development and the inevitable trend. Xueyan Jie's This from rural agriculture to...
