Forgotten Books, 2018. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Sublime Niagara of Our World: Addressed to Every Thoughtful Person Who Has Seen the Falls, or Who Desires to See Them Is is well for the student of sublimity, and of consequent humility, to take his first great lesson on Goat Island. Pass leisurely over the long iron bridge that spans the rapids on the American side. Turn to the right and walk entirely around the Island, a distance of about one and one-fourth miles, stopping at all points of interest. Study the Rapids above the Falls from all available places, more especially along the west shore. Near the upper end of Goat Island pause a long time at the Three Sister Islands. In many places among these Charming little islands, the water seems literally alive and wild with delight. Goat Island divides the river and the Falls into two distinct parts, called the American Fall and the Horseshoe Fall. And the entire waters of Niagara River, quickened by the long swift rapids above, pour smoothly and gracefully over both falls even with the lower end of Goat Island. From the edge of the shelving rocks, on this and Luna Island, can be found abundant opportunities for looking directly down upon the eager going waters as they calmly plunge into the great gulf below.
