Will Alec Flint be able to crack the case of the missing something? Alec Flint is a super sleuth in training, with one mystery under his belt, and a really great partner named Gina. When Gina's mom, a local newspaper reporter, gets a ransom note at work, Alec and Gina are on the case. The note claims that something belonging to the whole town has been stolen . . . but that something could be anything! The partners do their best to spend as much time as possible sleuthing, but their schoolwork keeps getting in the way. The entire fourth grade is doing a unit on the abstract artist Jackson Pollock, but they have more important things to worry about than paintings with lots of paint dripped on them! Can the detectives finish all of their school work and find the missing . . . something . . . before it's too late? This item ships from multiple locations.
