Absolutely essential study book. It normally fails to price excessive. I realized this ebook from my dad and i encouraged this publication to find out.

SHAPING MY FEMINIST LIFE: A MEMOIR (PAPERBACK)

Minnesota Historical Society Press,U.S., United States, 1998. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. A native New Yorker, the twenty-year-old Ridder arrived in Duluth in 1943 as a new member of a socially prominent family of newspaper publishers. In consciously seeking to be her own person, Ridder found over the following decades numerous outlets for her considerable energies and interests: Minnesota Independent-Republican politics, the Urban League and the emerging civil rights movement, alternative education, Twin Cities regional government, feminist organizations, and the women s athletic program at the University of Minnesota. She interweaves these public details with the more private ones of her marriage of fifty-plus years, her enjoyment in raising four children, and her ongoing nurturance of her spiritual life. Unifying Ridder s narrative are her natural feminism, her innate sense of fair-mindedness, and her conviction that privilege and position bring with them the obligation to work toward the social good of the community.
