Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Phyllis Schlafly s endorsement of Trump received massive local and national media coverage. It set off a firestorm in Trump opponents campaigns as they rushed to stop the movement of conservatives to Trump. Four days after Phyllis Schlafly s endorsement, Trump won the Missouri Republican Party beating favorite Ted Cruz by just 1,965 votes out of nearly 1 million cast. Trump went on to win the nomination. Before Phyllis endorsed Trump in downtown St. Louis, they met privately for what was a joy-filled meeting. Trump thanked her for her support. Phyllis sought his support for the conservative Republican platform which he gave. She also asked him to consider only pro-life judges in the mold of Justice Scalia and Trump agreed. Trump closed the meeting by saying he would not let her down. Phyllis Schlafly is a conservative icon who led millions to action, reshaped the conservative movement, and fearlessly battled globalism and the kingmakers on behalf of America s workers and families. I was honored to spend time with her during the campaign as she waged one more great battle for national sovereignty. She was a patriot, a champion for women, and a symbol of strength. She fought every day, right to the end, for America First. Her legacy will live on in the movement she led and the millions she inspired. - Donald J. Trump.
