Macbeth: A Warning Against Superstition (Classic Reprint)

By Esther Gideon Noble

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Macbeth: A Warning Against Superstition The great message conveyed by the tragedy Macbeth is a warning against superstition, or a perversion of the imagination. Shakespeare was so far in advance of his time that the greatest scientific truths were well known to him many years before they were hit upon by their so-called discoverers. That he believed in witches or supernatural agents of any kind is impossible. Shakespeare was essentially a dramatist. He was also an actor and a shrewd, practical business manager, who knew well how to catch the pennies of the groundlings and the pounds of the judicious one. His plays were written for presentation. Macbeth seems to have been written for immediate presentation. Shakespeare's policy was to show the very age and body of the time his form and pressure, and to hold, as twere, the mirror up to nature.
