Described as the consummate page-turner, *A Voice out of Nowhere* delves deep into the mind of a psychotic killer. In this tragic true story about one young man's harrowing descent into madness and murder, *A Voice out of Nowhere* offers a rare glimpse inside the workings of a criminally disordered mind. In the narrative style of non-fiction novels like *In Cold Blood* and *Columbine*, best-selling author Janice Holly Booth draws from court transcripts, eye-witness statements and personal interviews to go beyond the headlines and share little-known details of the tragedy. Fascinating, riveting and heartbreaking, *A Voice out of Nowhere* will incite readers to think differently about the insanity defense and the awful consequences of untreated mental illness. From the haunting opening to the nail-biting climax, this is a journey into madness and murder you will find hard to put down. -- C. E. Lawrence, award-winning author of the Lee Campbell Silent thriller series. This item ships from La Vergne, TN. Paperback.
