Organic Soap Making: DIY Soap Making Guide To Make Handmade Soap Safely, Quickly And Naturally Soap making falls somewhere between a chemistry experiment and cooking (though some might tell you that there s not much difference between those two), and in either activity, you ll need certain equipment and the right ingredients. First, you can start by pillaging your cabinets for old cooking gear that may be sitting around getting dusty. An old steel pan, things like spoons or whisks, and other miscellaneous containers or jugs, will go a long way. If you need to assemble some hardware, consider local thrift shops or yard sales before spending big bucks on specialty equipment you may not need. That said, you certainly don t want to go into this process under-equipped: soap making involves serious chemistry, and the beginning of safety for all involved is respect for the processes involved. As you indulge yourself into more information and practice in this field, you will soon master the...
