When a deep-seated memory suddenly surfaces, Elizabeth Burns becomes obsessed with the long-ago disappearance of her childhood friend April Cassidy. Driven to investigate, Elizabeth discovers a thirty-five-year-old newspaper article revealing the details that had been hidden from her as a child shocking revelations about April's mother, Adele. Elizabeth, now herself a mother, seeks out anyone who might help piece together the final months, days, and hours of this troubled woman's life, but the answers yield only more questions.
