IRIS JOHANSEN - SLEEP NO MORE AND TAKING EVE 2-IN-1 COLLECTION: SLEEP NO MORE, TAKING EVE

BRILLIANCE AUDIO, 2015. CD-Audio. Condition: New. Abridged edition. Language: English . Brand New. Two novels by #1 New York Times bestselling author Iris Johansen Sleep No More Forensic sculptor Eve Duncan knows what it s like to be haunted by the past. For years after her daughter, Bonnie, was stolen from her, she fought for closure. When her mother, Sandra, asks Eve to find a missing friend named Beth Avery, she wants to help but is sure that Sandra is hiding something. The fact that she adamantly refuses to go to the police reinforces Eve s suspicions that something is very wrong. Eve learns that Beth has been locked away in a mental hospital for years, which makes it even harder to understand how she could have disappeared. As Sandra reluctantly reveals small pieces of the truth about Beth s identity, Eve is shocked to discover that their lives are strangely entwined, and Beth s disappearance now puts them all in grave danger. Desperate, Eve enlists a secret weapon to pick up Beth s trail: rogue profiler Kendra Michaels. With an uncanny ability to detect clues and solve puzzles, Kendra begins to uncover the bizarre circumstances of Beth s escape from what should have been the safety of her hospital room. Beth is on the run, and as her mind clears--detoxing from the drugs that have held her prisoner--she begins to see the threads of a twisted plot within the powerful Avery family, threatening to destroy her and anyone else who might jeopardize the high-stakes game that is already in play. Taking Eve Forensic sculptor Eve Duncan s mission is to bring closure to the families whose loved ones have vanished. She knows their anguish--her own beloved daughter, Bonnie, was taken from her when Bonnie was just seven years old....
