Little, Brown Company, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book. Meg Donovan, the twin sister of Serena Donovan (from Confessions of an Improper Bride) was lost at sea years ago. Or so everyone thought. While sailing one of his vessels off the coast of England, Captain William Langley encounters a tiny boat adrift at sea. When he and his crew move in to investigate, they discover a small child and an unconscious woman--a woman Langley instantly recognizes as his former fiancée, Meg. But could this really be her? Langley once loved Meg Donovan more than anything in the world, and news of her death nearly did him in. But much has changed in the years Meg has been gone. Langley is older, wiser and knows how easily people can be deceived. Even if Meg's identity can be proven, there are many other questions that need to be answered. Where has she been for all these years? And who is the child with her? With so many secrets still separating them, can she and Langley rekindle the love they once shared?.
