The Answer To The Subjective Process Of Drug Addictions, And Natural Addictions

By Lee Arnold Green Sr.

AuthorHouse. Paperback. Book Condition: New. Paperback. 312 pages. Dimensions: 9.0in. x 6.0in. x 0.8in. The information in this book derives from personal experience, scientific research, observation and social interaction with drug users. These factors empowered me with the ability to write this book. I wrote it with the public in heart and society in mind, and that nothing, I mean nothing is more empowering than knowledge, especially when it is new or original. So, this book comprises the basic stages and phases of the subjective process of drug addiction, which is in keeping with the deletion of receptor proteins off the surface of the nerve membrane. It is a perfect asset to any library, community as well as home. It is a perfect guide for drug users, the general public and as well parents with growing up children. There are many sources or references in this book of scientific research studies that are present and past. At least twenty years has been invested in this book and innumerable rewrites, in order to get it right by properly putting it together with scientific research in support, rather than just personal experience and common sense, or knowledge. One of the major aspects of...
