Solar Air Heated Collector

Condition: New. Publisher/Verlag: VDM Verlag Dr. Müller | Solar Air Heated Collector | Many arid and semi-arid countries such as the Kingdom of Saudi Arabia face shortages of potable water available from natural sources. The limited water resources and the need to balance economic and social development resulted in the emergence of an imbalance between them. Seawater desalination accordingly represents a viable solution to the problem. In this Study, an experimental Setup of HDH solar desalination system was carried out...
