Createspace Independent Publishing Platform, United States, 2013. Paperback. Book Condition: New. Lisa K Davis Demattei (illustrator). Large Print. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Drawing Made Simple Level 2 is the first edition of a series of books designed to teach children how to draw lines, geometric shapes, food and objects. Drawing pages included! The drawing exercises in Drawing Made Simple Level 2 will help children develop their pencil grasping skills which is key in fine motor development. Level 2 is appropriate for ages 6 years older. This book may also serve as a guide and starting point for any beginning artist. The Drawing Made Simple curriculum challenges children in a fun and creative way. Each drawing level advances gradually allowing students to become successful and build confidence. While learning how to draw, young children will also learn and develop in other areas such as hand-eye coordination, shape recognition, and word association with objects. Children will find it easy to follow the step-by-step instructions which lead them through each drawing one line at a time. Children should remember it is important to practice drawing the lines and shapes first before attempting to complete any of the drawings in this book. Additional blank pages have been added so that children may have opportunities to practice their new drawing skills. After completing all of the exercises and drawings, students are rewarded with a hand written Letter of Congratulations and an authentic Certificate of Completion signed by the author. The combination of simple instruction, drawing, and encouragement promote learning and development in children while building confidence and self-esteem.
