THE RIDER S GUIDE TO REAL COLLECTION: ACHIEVE WILLINGNESS, BALANCE AND THE PERFECT FRAME WITH PERFORMANCE HORSES (HARDBACK)

[DOWNLOAD](#)

TRAFALGAR SQUARE, United States, 2010. Hardback. Book Condition: New. 262 x 213 mm. Language: English . Brand New Book. Written for riders who wish to extend their horses athletic lives and make them better, happier performers, this guide defines the practice of collection and explains how to train horses in it. Collection, or self-carriage, involves a horse carrying more weight on its hind legs than its front legs, allowing it to move more easily and perform more beautifully--but it can be difficult to achieve. Exercises for varying skill levels, riding styles, and horses help riders learn what qualifies as collection and how to attain it. Tips on how to avoid the most common bad habits and mistakes are also included in this manual that is beneficial to riders and horses everywhere. Collection is one of the most misunderstood concepts in Western and English riding. Everyone wants it, but few people know how to get it. World-class rider, trainer, and clinician Lynn Palm now offers the one and only book that explains away the mysteries of collection while telling you exactly how to attain it. With 30 years experience riding and training champion all-around performance horses, and a background in dressage, Lynn has perfected an easy-to-use system of exercises that gradually collect any type of horse, regardless of his build, and that are of particular value to stock horse breeds such as Quarter Horses, Paints, and Appaloosas. Lynn assures us that every horse can achieve and move in a collected frame with time and patience, and learning how to bring him into true collection helps you improve his performance; create a more willing equine partner; extend his physical and mental longevity; and enjoy riding him even more than you already do. Real collection proves elusive because--until now--the instructions for achieving it have...
