Christian Faith Publishing, Inc., United States, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Have you ever questioned the teachings of the church? Do they make sense to you? When there are teachings you don t understand, have you ever been told, Just take it on faith, brother ? I have! This was not acceptable to me. If God wants us to know him and his son, Jesus Christ, and the Word of God is his communication to us, then we as individuals should be able to study his Word and understand it. However, I believe that we are in the unfortunate time for the church in which the prophecy of the Apostle Paul has come to its fulfillment: For the time will come when men will not put up with sound doctrine. Instead, to suit their own desires, they will gather around them a great number of teachers to say what their itching ears want to hear. They will turn their ears away from the truth and turn aside to myths. (2 Timothy 4:3-4) This book presents many of the questions I had in my quest for truth. It addresses some of the most egregious doctrines that lead people away from understanding God s plan and how they are to fit into it. In order to effectively seek God, you must ask questions. Why? Mainly because it is just as easy to believe a lie as it is the truth. Remember John 4:23-24: Yet a time is coming and has now come when the true worshipers will worship the Father in spirit and truth, for they are the kind of worshipers the Father seeks. God is spirit, and his worshipers must worship in spirit and in truth.
