By Alister E. McGrath

Zondervan. Paperback. Book Condition: New. Voytek Nowakowski (illustrator). Paperback. 208 pages. Dimensions: 8.4in. x 5.4in. x 0.7in. Engaging Fantasy Kirkus Review The land of Aedyn is a paradise beyond all imagining. But when this paradise falls, strangers from another world must be called to fight for the truth. Peter and Julia never suspected that a trip to their grandparents home in Oxford would contain anything out of the ordinary . . . That was before Julia stumbled upon a mysterious garden that shone on moonless nights. It was no accident that she fell into the pool, pulling her brother along with her, but now they're lost in a strange new world and they don't know whom they can trust. Should they believe the mysterious, hooded lords? The ancient monk who appears only when least expected? Or the silent slaves who have a dark secret of their own? In a world inhabited by strange beasts and peculiar whisperings, two children called from another world will have to discover who they truly are, fighting desperate battles within themselves before they can lead the great revolution. Reviews

Definitely one of the better books we have possibly read. We have read through and I am certain that I am going to go back and study it once again yet again in the foreseeable future. Once you begin to read the book, it is extremely difficult to leave it before concluding.

The book is straightforward and easy to read. This really is for anyone who states there had not been a worthy of looking at. You may like just how the blogger created this publication.
