

Fluke: Or, I Know Why the Winged Whale Sings

By Christopher Moore

Little, Brown Book Group, United Kingdom, 2007. Paperback. Book Condition: New. 197 x 126 mm. Language: English . Brand New Book. Just why do humpback whales sing? That s the question that has marine biologist Nate Quinn and his crew poking, charting, recording and photographing very big, wet, gray marine mammals. That is, until the extraordinary day when a whale lifts its tail into the air to display a cryptic message spelled out in foot-high letters: BITE ME. Trouble is, Nate s beginning to wonder if he hasn t spent just a little too much time in the sun. Cause no one else saw a thing- not his longtime partner, Clay Demodocus; not their saucy young research assistant; not even the spliff-puffing white-boy Rastaman Kona (ne Preston Applebaum). But later, when a roll of film returns from the lab missing the crucial tail shot- and his research facility is trashed- Nate realizes something very fishy indeed is going on.
