The book invites an adult to read to a young child the story about Ericka, who is seeking to find her favorite color in the kaleidoscope presented by the changing seasons. All young children from age 2-5, pre-schoolers and kindergarten students alike, can relate to the character of young Ericka-regardless of considerations of geography, culture, and so forth. May your child enjoy this story as a fun learning experience that will teach them about some of the natural fascinations in the great wide world around them, as well as forge closer ties in your parent-child relationship.
