Saunders, 2009. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: With three unique study tools in one comprehensive package, this complete NAVLE exam review is the easiest, most effective way to prepare for your veterinary board exam! Noted educator Patricia Schenck combines in-depth coverage of essential veterinary medicine principles with interactive review and exam practice - all modeled on official NAVLE specifications. The outline-format textbook streamlines your review of essential information on all species and all body systems. All topics, even the Basic Sciences, Practice Management, and Public Health, are areas you'll encounter on your veterinary board exam. The interactive review CD tests your understanding and comprehension with two randomized, 360-question sample exams, accompanied by rationales for answers cross-referenced to corresponding content in the text. The exam practice CD provides virtually unlimited review opportunities with a pool of 8,000 additional review questions and a scoring function that enables you to monitor your progress and identify areas needing further study. NAVLE is a registered trademark owned by the National Board of Veterinary Medical Examiners. This publication is not licensed by, endorsed by, or affiliated with the National Board of Veterinary Medical Examiners. Exam-based structure familiarizes you with the content you'll see on the veterinary board exam and builds your knowledge step-by-step. Convenient, point-by-point outline format highlights the most essential data and streamlines your NAVLE exam preparation. Companion CD includes two discipline-based sample exams: The practice quiz mode includes a pool of 1,600 multiple-choice questions that can be randomized so you can take any number of questions an unlimited number of times - with instant feedback. The final exam mode emulates the NAVLE test-taking experience, enabling you to complete 360 multiple-choice questions at one time and receive a final score showing which content areas require...
