Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Options Trading: A Beginner Guide To Start Making Immediate Cash With Options Trading If you re considering options trading, this book will provide you with the basics you ll need to gain the confidence and courage to become an investor. The terminology and concepts of options trading can be quite intimidating for a beginner, and that s what motivated us to create this book. From examining calls and puts to learning about spreads and hedging, soon you ll be trading options like an experienced professional. Not only will you learn the language of options, but through our examples and illustrations, you ll be able to internalize the concepts so they ll be readily available to you when you re ready to trade. Throughout the pages of this book, you ll be given real-world analogies that will help you to relate to some of the challenging concepts. Since surprises can be quite ugly when it comes to investing your capital, we ve prepared you for the unexpected. Not only do we define trading strategies, but we explain when and how to use them best to gain an advantage in your trades. By minimizing the risks and maximizing your gains, you ll learn how to read the market and closely predict its ups and downs. This book isn t just a once-through read, but rather an on-your-desk reference and guide to walk you through the challenges that options can present to the novice trader. You ll soon be able to identify the red flags of options trading and learn to skirt the pitfalls that plague many beginners in the options world. Not only will you learn about how options trading can help you achieve...
