

## The Rise of the Outsiders

By Steve Richards

Atlantic Books Apr 2018, 2018. Taschenbuch. Condition: Neu. Neuware - Intelligent, nuanced and wide-ranging, this is the essential handbook for understanding the chaotic political times in which we live. In recent years, voters have deserted the political centre like never before. Whether it's Trump, Brexit, Le Pen, or Corbyn, outsiders and populists are flourishing on the far left and far right. Celebrated political commentator Steve Richards explores factors from globalization and fake news to rising immigration and stagnant wages. Richards argues that the reasons for the success of the outsider also sows the seeds of their eventual demise. If they do gain power, they inevitably become insiders themselves - and fail to live up to their extravagant promises. This landmark book examines the rapidly shifting global political landscape of the last decade, and is essential reading for anyone who has been bothered by Brexit, troubled by Trump or confused by Corbyn. 368 pp. Englisch.
