

The questions of choice and morals in 'The Spoils of Poynton'

Filesize: 7.19 MB

Reviews

I just started off reading this article pdf. It is probably the most remarkable ebook we have go through. It is extremely difficult to leave it before concluding, once you begin to read the book.

GRIN Verlag Mrz 2008, 2008. sonst. Bücher. Book Condition: Neu. 210x148x1 mm. This item is printed on demand - Print on Demand Neuware - Essay from the year 2006 in the subject American Studies - Literature, grade: 1,0, University of Freiburg, course: Henry James in Transition, 10 entries in the bibliography, language: English, abstract: Many of the critics writing about The Spoils of Poynton belong to one of two groups: Either they take Fleda to be the heroine of the story in the traditional sense [] or they have taken her to be neurotic and self-deceiving, pathologically fearful of sex, and contributing more harm than balm to the domestic row between the Gereths (Lodge. Introduction: 5). Both ways of interpretation actually imply that Fleda is indeed the free spirit James intended. This view is particularly clear in the wikipedia article which states that Fleda Vetch has earned most critics' sympathy for steering the right course through an almost impossible situation (Wikipedia). The talk of a right course , however, reveals the author s belief that Fleda has a choice. In the following, I want to argue that the exact opposite is the case. Fleda s actions are not based on moral considerations but rather on existential necessities. Her freedom is therefore restricted to the realm of her imagination; all other decisions are dictated by the expectations of society. This is also the one unifying force to which all characters are subject and due to his own disillusionment with existing English society (Lyons. Social Vision: 64), James uses the comedy and irony in The Spoils of Poynton as a vessel to convey his socialcriticism. 16 pp. Englisch.
