

Christianopolis: An Ideal of the 17th Century (Paperback)

By Johann Valentin Andreae

COSIMO CLASSICS, 2007. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Pondering the characteristics of Utopias and constructing theoretical examples of them has been an intellectual exercise to thrill thinkers at least since the time of Plato's Republic. Christianopolis is the little known Utopia created by German theologian and scholar JOHANN VALENTIN ANDREAЕ (1586-1654). A mysterious figure associated with alchemy, Kabbalah, Rosicrucianism, and other philosophical esoterica of the 17th century, Andreae published this intriguing guide to his perfect society in 1618. Informed by a rigid brand of Christian socialism, Christianopolis also features a high regard for teachers, and approaches the world from both a scientific and artistic perspective. Translated in 1916 from the original Latin by University of Miami, Ohio, professor of German FELIX EMIL HELD (1880-1944), who rounds out the volume with an extensive historical introduction, this is a highly readable work that will enthrall students of philosophy, classic literature, sociology, and metaphysics.

Reviews

It becomes an incredible publication that we actually have at any time read. It is one of the most incredible book i actually have go through. I am just delighted to tell you that this is actually the finest pdf i actually have read through within my personal life and might be he finest publication for actually.

-- Prof. Hilma Robel

A brand new eBook with a new standpoint. I have got read through and i also am confident that i will gonna read again once again down the road. Once you begin to read the book, it is extremely difficult to leave it before concluding.
