Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Written by the international best-selling author of Don t Hire a Software Developer Until You Read This Book. Are you a small or medium sized business with plans to upgrade or replace your business software? If so, this software buyer s guide is for you! Changing IT systems can be costly, time-consuming and complicated. It s understandable to be concerned about making the right decisions - each year companies invest large sums in acquiring new software, only to discover that the product is inadequate or more trouble than it s worth. The wrong decision will drain your financial resources, complicate your ability to comply with laws and regulations, decrease productivity and lead to unhappy staff. Worse still, you may have to live with the consequences for a considerable amount of time. But what is the solution? What action should you take, and what questions should you ask in order to choose the right product? This book supports SMEs/SMBs in purchasing new software, whilst navigating the pitfalls and perils of the process. It will guide you through the minefield of choosing a suitable product that will deliver the benefits you want, whilst demonstrating how to secure a good return on your investment. An easy to read, and accessible guide, it explains the things you will need to know, and do step-by-step, to increase your chances of success and includes complementary spreadsheets and documents that you can start using immediately. Read this software survival guide if you are: - Wholly, or partially responsible for acquiring new software for your company, department or team - Keen to review the options available; including SaaS, enterprise software, desktop software and cloud-based services - A business owner, CEO,...
