The authors present a realistic four-step plan for self-improvement. They'll teach you to see the current depth of each skill in yourself, encourage you to develop it, provide clear suggestions for how to put it into action, and inspire you to live it every day. Nothing short of an interpersonal fitness plan complete with creative exercises, examples, and tools -- PeopleSmart will empower you to become the kind of person who can establish solid relationships, connect with others, and effectively link their needs with what you have to offer.
