Rowman & Littlefield Publishers, 2005. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: This short, engaging volume develops new and sociologically sophisticated concepts to bring the fields of biology and sociology together. It is about the social biology of face-to-face dominance interactions and explores the evolution of behavior through connections among biology, language, culture, and socialization. Meant to be a self-contained exploration sociologists would require no prior knowledge of biology biologists would require no prior knowledge of sociology this book is a fun, informative supplement for courses throughout sociology and the social sciences.
