

## An Introduction to Excellence in Practice Development in Health and Social Care

By Rob McSherry, Jerry Warr

Open University Press. Paperback. Book Condition: new. BRAND NEW, An Introduction to Excellence in Practice Development in Health and Social Care, Rob McSherry, Jerry Warr, "The book is much more than a simple 'introduction' to practice development; it provides an in-depth analysis of the governance challenges and should be read by all staff and indeed senior managers tasked with such onerous responsibilities." *Journal of Interprofessional Care* "I recommend it to all members of the multidisciplinary team in any clinical environment, whether or not there is a practice development presence. The book is well referenced, with useful diagrams and signposts for further reading. This complete read includes the application of practice development, how to measure success, and public and patient expectations. It also addresses litigation, changing cultures and how to motivate others." *Nursing Standard* "Rob McSherry and Jerry Warr provide essential information on practice development in this excellent book. It is well referenced, and includes many useful diagrams and signposts to encourage further reading." *Nursing Management* The first in a new series, this introductory text outlines what is meant by excellence in practice and explores the core contemporary issues used to illustrate excellence, including evidence-based practice, clinical governance, and health and...
