Reviews

Totally among the best publication I have ever go through. This really is for all those who statte that there had not been a well worth studying. I am just very happy to let you know that this is actually the very best pdf we have go through inside my very own daily life and could be he very best ebook for actually.

(Miss Audra Moen)

ICEFIRE

Hachette Children's Group. Paperback. Condition: new. BRAND NEW, Icefire, Chris D'Lacey, Life isn't exactly normal lodging at the Pennykettles - not when you're surrounded by hundreds of clay pottery dragons. Fate seems to be dictating an unusual course for David when his university tutor sets him a writing project on the existence - or not - of dragons. The tantalizing prize - a fully-funded research trip to the Arctic - seems just within his grasp. David starts to research the subject and soon discovers a connection between dragons and the Arctic just as it begins to snow. Is it only a coincidence? Or could deeper forces be at work? As David starts to uncover more about the dragons, he finds himself drawn down a path from which there is no going back to a time when dragons really did exist, and their secrets were guarded by the polar bears of the Arctic. If David is going to have any chance of winning the research trip, he has to open his mind to the legend of dragons and the mysterious secret of Icefire.
