Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.THERE MAY BE MANY REASONS WHY A SMALL BUSINESS CAN FAIL.AND TO ME, THE MOST IMPORTANT ARE: Reason #1: Business Owners are not really in touch with customers through deep dialogue. They do not know their needs and how they evolve. Reason #2: There is no clear and real differentiation in the market, they have now unique value proposition and as almost every small business owner they try to compete based on pricing. Reason #3: The Failure to communicate value propositions in clear, concise and compelling fashion. Commonly mistaking advertising with a marketing strategy. Reason #4: Leadership breakdown at the top. Yes.business owners have trouble being leaders, and building the right team needed to accomplish their objectives and goals. Reason #5: Inability to establish a profitable business model with adequate financial indicators. (Are you the type of owner that mixes personal and company finances?) If you can identify with one of the reasons, I need you to ask yourself a couple of questions. If you are here, you already own a small company or you are about to start your own business, either way, this book is designed to help you learn about critical topics needed to manage and succeed when you are a small business owner. You may already know that the value of what you offer in a small business is based on your skills, your vision, and what you want to accomplish. You will be the one setting the goals for the company, and you are the key ingredient in the company s success. You might have a special skill, a quality or knowledge that will set you apart from the competition,...
