Engages students with a refreshing and easy to learn from style, while maintaining an encyclopedic approach and popular magazine format. A REFERENCE TOOL FOR TODAY'S STUDENT! Today's students want a practical 'what it is' and 'how it works' approach to computers and computing, with less explanation of 'when and why.' This edition of Computers Are Your Future was revised to match what students know today with what they need to know in order to be successful in the exciting and ever-changing world of information technology. Computers Are Your Future serves as a valuable computer technology reference tool without being overwhelming or intimidating. 607 pp. Deutsch.
