Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from White Servitude in the Colony of Virginia: A Study of the System of Indentured Labor in the American Colonies The chief interest in the colonial history of America has always centered in the development of political institutions, which, from their importance and endurance, have become of wide significance. For this reason it has been customary to overlook, or to treat as processes subsidiary to the political evolution, many interesting social and economic developments, which were of great moment in the history of the colonial period as furnishing the material background of this political development and giving it its distinctive character.
