Reviews

*This book is definitely worth getting. It usually will not price too much. Its been printed in an extremely simple way in fact it is only right after i finished reading this publication where basically altered me, modify the way i think.
(Avery Daugherty)*

TRUST YOUR EYES (PAPERBACK)

Orion Publishing Co, United Kingdom, 2013. Paperback. Condition: New. Language: English . Brand New Book. What would you do if you witnessed a murder - but no one believed you . . .? Another masterful suspense novel from the bestselling author of the Richard Judy summer read winner, NO TIME FOR GOODBYE. Map-obsessed Thomas spends his days and nights on a virtual tour of the world through his computer screen, believing he must store the details of every town and city in his head. Then one day, while surfing a street view program, he sees something that shouldn't be there: a woman being murdered behind a window on a New York street. When Thomas tells his brother Ray what he has witnessed, Ray humours him with a half-hearted investigation - until he realises Thomas may have stumbled onto a deadly conspiracy, which puts them both in danger . . . With enough suspense to rival a Hitchcock film, this is a thriller with edge.
