Reviews

Simply no terms to explain. I am quite late in start reading this one, but better then never. Its been written in an remarkably easy way and is particularly merely soon after i finished reading this book where basically changed me, affect the way i really believe.

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Now the sons of the East claimed that Samorrah was half as old as time and just as evil. This may have been a myth but the city was indeed ancient. In the days when the dark empire of Sheol ruled most of the world of men, Samorrah was. When Osiria finally threw off the yoke of the Serpent Men but then started to build her black pyramids and demon-haunted tombs filled with ancient evil in honor of those very same oppressors, Samorrah was. Long before the pretensions of the Rhodians and their empire, when Tarantium was but a fishing village on the Syrenian Sea, Samorrah was. When the ancestors of the Caldorians, Espirians and Nestrians still were living in caves, Samorrah was. Samorrah seemed like it always had existed. And when a city becomes as ancient as Samorrah it attracts all kinds of evil like a drain pulls the filthy water to itself, every temptation and perversion known to man since the fall was enclosed in her walls. This is where Thurl the Gaelg, a wandering mercenary with a regretful past, has found himself; in a degenerate city ruled by the wicked Witch Queen Semiramis and her minions, fighting for he and his friend s lives and more importantly his very soul. For a tale of high adventure come with us to the antediluvian world in The City of the Dead.
