Penguin Putnam Inc, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book. From the New York Times bestselling author of *The Score* and *Midnight Revenge*. Four years ago, Cate's entire life changed when she discovered she was the daughter of a supersoldier. But Jim Morgan's overprotectiveness has pushed her away. These days, she's working as a freelance photographer and living the dangerous life Jim never wanted for her. When Cate snaps a photo linking a corrupt South American politician with the leader of a notorious drug cartel, her mercenary father leads a team to rescue her--only to get shot and critically wounded in the process. As Morgan's operatives rally together on a revenge mission, they're faced with new alliances and old heartaches. Cate is forced to work with David Ash Ashton, the man who broke her heart two years ago, while Liam Macgregor and Sullivan Port resurface after years apart to finally try to deal with everything they'd left unsaid. Soon it's all-out war between the cartel and the mercenaries--with two couples caught in the middle of the blood feud. Love and redemption are within their reach, but first, they have to make it home alive.
